

Hi Everyone,

A busy week around the club and also for our one of our members being in the right place at the right time for one member of the public in need.

An elderly woman on a rural property received prompt CPR within moments, due to a well prepared member calling 000 and having her resus mask close at hand. This selfless act without a doubt saved the ladies life. After days in ICU, the lady is now reported to be conscious and recovering well at Lismore Base Hospital, and we wish her a speedy recovery!

A thank you goes to our all our members and those of the training team for making themselves available for a chat and provide support through what could have been a very different outcome.

Anyone reflecting on their own preparedness will be happy to know, Laerdal pocket masks (which come with a filter and gloves) are in stock and available at the club.

We wish our Winter Bronze Squad the best of luck for their wet assessment this Sunday morning!

The **Annual Club Clean Up Day** is slowly approaching - Sunday 6th August Please put this date in your calendars, we are calling on all club members to attend - ***MANY HANDS MAKE LIGHT WORK!!!***

## **Training Room Extensions**

I had a phone call from Lance Newley (Planit Consulting). Lance advised our application is approximately half finish to submit. He is still waiting to hear from Tweed Shire Council re Crown Land.

I have forwarded a supporting letter from the NSW Police Force.

We will also be seeking support from other emergency agencies.

We are not including any internal design; the main concern is to have the DA into Council hopefully in the next couple of weeks.

Regards Ian Anderson
