TRAINING ROOM EXTENSIONS

The Surf Club Board met on Wednesday 21st June and has approved the engagement of Planit Consulting to assist with our Development application. Our focus is to present to council our best option to incorporate the new training facility including the third level control room large enough to house other emergency services when required.

We are not including any internal design; the main concern is to have the DA into Council hopefully by the end of June.

Regards Ian Anderson

The minimum home loan amount to meet eligibility is \$200,000.

A couple of referrals will go a long way to supporting our facilities, families and future projects.

Please spread the word about this great initiative. For more information you can contact our dedicated Home Loan Specialist Mitch Alexander on 0476 811 290.
